

Monthly Tuition Calculator

Use this calculator to determine your flat monthly tuition fee.

Number of lessons during school year	A	
Number of Summer lessons	B	
add A + B	C	
Number of inevitable missed lessons	D	
subtract C - D	E	
Lesson rate	F	\$
E multiplied by F	G	\$
Additional fees (materials, etc.)	H	\$
Total annual tuition: G + H	I	\$
Monthly Tuition: I divided by 12		\$
